1110 - 1130	Case Study: Advanced MND <i>Dr. Nur Adilah Bakti (Registrar Neurology Unit HPUSM)</i>
1130 - 1150	Community Networks and MND Support Group / MND Video <i>Mr Benny Ng Ah Thiam (Chairman, Motor Neurone Disease (MND) Malaysia)</i>
1150 - 1155	Q&A
1155 - 1225	Lunch Symposium (Astra Zeneca) Optimising the Management of Refractory Generalized Myasthenia Gravis (gMG) with Eculizumab (<i>Assoc. Prof. Dr. Rabani Remli, Consultant Neurologist</i>)
1225- 1255	Lunch Symposium (Brego Life Sciences) Beyond Glycaemic Control: Managing the Silent Progression of Diabetic Polyneuropathy (<i>Dr Noraini binti Mohamad, Family Medicine Specialist</i>)
1255 - 1400	Lunch & Prayer
NEUROMUSCULAR SYMPOSIUM 1: OPTIMISING THERAPY IN NEUROMUSCULAR EMERGENCIES	
Session Chairperson: Dr Tasnim Abdul Halim	
1400 - 1430	Acute Inflammatory Myopathy <i>Dr. Sulaila Basiam (Consultant Neurologist HTAA)</i>
1430 - 1500	Guillain Barre Syndrome <i>Dr. Rose Izura Abdul Hamid (Consultant Neurologist HRPZII)</i>
1500 - 1530	Myasthenic Crisis <i>Dr. Saidatul Manera Mohd Daud (Neurologist HRPZII)</i>
1530-1535	Q&A
NEUROMUSCULAR SYMPOSIUM 2	
RECOGNIZING & MANAGING NEUROMUSCULAR DISORDERS IN PRIMARY CARE	
Session Chairperson: Dr Wan Izzah Hafizha Wan Othman	

The event was performed in conjunction with the East Coast Neuromuscular Disease Symposium 2025, supported by the industry.

Activities:

- Lectures from neurologists, an invited speaker from the Motor Neuron Disease Society, a Quiz, and Case Studies
- It was attended by the medical doctors and allied health professionals
