TOURETTE SYNDROME AWARENESS DAY 2025

Activities:

- In conjunction with Tourette Syndrome Awareness Month, Neurology Unit, Universiti Teknologi MARA (UiTM) and Tourette Association of Malaysia (TAM) has organised Tourette Syndrome Awareness Day that aims to raise public awareness and knowledge about Tics and Tourettes Syndrome, and to support people living with Tourette Syndrome.
- The event was officiated by His Royal Highness Raja Muda (Crown Prince) of Perlis Tuanku Syed Faizuddin Putra Jamalullail, Her Royal Highness Raja Puan Muda (Crown Princess) of Perlis Tuanku Dr Lailatul Shahreen Akashah Khalil, and Deputy Women Family & Community Development Minister Datuk Seri Noraini Ahmad.
- Other notable VVIP attendees include the Member of Parliament of Bandar Tun Razak Datuk Seri Dr Wan Azizah Wan Ismail, Deputy Director-General (Medical) Ministry of Health (MoH) Datuk Indera Dr Nor Azimi Yunus, Bank Rakyat CEO Ahmad Shahril Mohd Shariff.
- Please visit TAM website for more info: <https://tourettemalaysia.org>

- It has also garnered support from many other members of parliaments, hospitals board of directors, NGOs and volunteers. Among event activities include Free Health Screening, Tourette Syndrome Forum, symbolic officiation and handover of MOCard OKU (person with disabilities) to two Tourette patients and HPKK Paediatric ward visit.
