

# TRANSLATIONAL EPILEPSY SUMMER SCHOOL 2025

**Dive into the Genetic Blueprint of Epilepsy at this 5 DAYS immersive event!**

From 15–19 December 2025, engage with leading Asia-Oceania epilepsy experts through dynamic talks, interactive panel discussions, collaborate on a translation project in our competitive workshop, and hear powerful patient stories.

Any healthcare professionals, trainees or students working with or on epilepsy, this is your gateway to decoding the future of epilepsy via this genetic epilepsy focused online summer school.

**SECURE YOUR
